## EDUCATION

UNIVERSITY OF CINCINNATI    Cincinnati, OH 2004  
Bachelor of Science, Industrial Design  
Magna Cum Laude  
IDSA Student Merit Award Winner

**WORK EXPERIENCE**    Four years combined co-op and professional experience

FITCH    Columbus, OH 2004- Present  
Industrial designer working for a multidisciplinary, consumer-centric design firm with an offering in product development, strategy, consumer environments and graphic design with studios spread across 10 countries. Personal responsibilities include creation of new products and consumer environments in a variety of categories through rapid 2D ideation using traditional methods, Adobe Photoshop and Illustrator and Corel Painter, 3D modeling and rendering in Alias StudioTools and Image Studio, travel, building client relationships, project timeline management and presentation of work.  
International client list including: Starbucks, Gerber, Respironics, Rubbermaid, Chiquita, Owens Corning, Altec Lansing, GE Plastics, Seagram's, Radio Shack and the 2008 Beijing Olympic Committee.

ASTRO STUDIOS    San Francisco, CA 2004  
Industrial design intern working in this very fast-paced yet very laid back, internationally respected, award winning design consultancy for clients such as Virgin and Danger (maker of the Sidekick). Thrown straight into the fire and responsible for creation of cutting edge, lifestyle driven concepts in consumer electronics and packaging categories.

NIKE    Beaverton, OR 2003  
Industrial design intern working on the Nike Golf team. Developed concepts for production in putter and iron categories and created concepts for a new, younger golf sandal category driven by ACG aesthetic.

DESIGNTECH    East Aurora, NY 2003  
Industrial design intern for small design consultancy working on client and speculative projects ranging from integrating new technologies in the kitchen to fingerprint identification security devices.

BMW GROUP DESIGNWORKS/USA    Los Angeles, CA 2002  
Industrial design intern responsible for 2D concept generation for several internal and external clients, model making and primary market research.

FISHER PRICE    New York City, NY/ East Aurora, NY 2001- 2002  
Industrial design intern working in 3-5 year old Boys and Girls teams and Character Branded See N Say team. Responsible for rapid concept generation, model making and creating drawings for manufacture.
